Dear Professor Lujan˙,

We are organizing our conferences again in Salerno, in Italy in June 27-29, 2015
and we would like to invite you to come as Invited Speaker,
from the University of Alicante in our Conference to present an Invited Paper.
So, select one of our conferences in Salerno
http://www.wseas.org/
and upload your invited paper until May 31.

¿Invited paper?

The conference will be held in a 4-Star Resort (Lloyds Baya Hotel)
and we will have also excursions in Pompei, Napoli and Vesuvius' Volcano.
We must have the full paper until May 31 (for Invited Speakers).
(Maximum 10 pages. Format see the web page of the conference)

Recently, we had an excellent conference also in Italy, in Florence, with 300 delegates in November 2014:
See Photos here:
https://plus.google.com/photos/109335197433731469831/albums/6090426307462494881?banner=pwa&sort=1

NEW: We have already finished agreements with 44 ISI Journals (with Impact
Factor from ISI Web of Knowledge - Science Citation Index Expanded) that will review the extended versions of all
the papers after the conference. Extended Versions of all the Invited Papers will be delivered in ISI Web of Knowledge -
Science Citation Index Expanded Journals with positive recommendation by an Editor of their Editorial Board.

Invited Authors have
==========
a) Invitation for Additional publication of the extended version
in ISI Journals and Positive Recommendation from an Editor for publication in an ISI Journal.
You select the Journal where you can publish the extended version of your paper.

b) Priority in the conference program

c) Double time for presentation (not 15 minutes as the regular papers, but 30 minutes)

d) Invited Papers are noted explicitly in the conference program as Invited Papers

e) Invited Authors can be included in the Program Committee of our future conferences of 2015

f) Invitation for Co-organizing a future WSEAS Event.

Registration Fees for you as Invited Author in Salerno (only): 300 EUR

e) Invited Authors can be included in the Program Committee of our future conferences of 2015

f) Invitation for Co-organizing a future WSEAS Event.

Registration Fees for you as Invited Author in Salerno (only): 300 EUR
(regular authors' fee: 490 EUR - see the web)

All the authors have
==========
Publication in the Conference proceedings and distribution in the conference 10 Books + 1 CD-ROM (total of the 10 books)

You must upload your Invited Paper only via the particular conference web site and you must declare in the
Field of Special Session this code: INVITED-by-APAPADIMITRIOU (in order to consider your paper as Invited paper). Do not send papers by email.

Discount Registration Fees for you, Professor Lujan˙, for this conference in Salerno (only) : 300 EUR

We cannot transfer this discount registration fee to other conferences of the society.

Remarks
---
1) Invited Authors represent only a 3-5% of our authors,
see for example the papers with Italics here: http://www.wseas.org/main/conferences/2014/Salerno/Program.pdf)

2) Invited Authors are selected very carefully according their recent publications and citations and
they must fit to the topics of the conference.

Do not hesitate to contact me for more questions

Dear Author,

Due to several requests, the CENTERIS | ProjMAN | HCist 2015 Conference organizers decided to extend the submission deadline to April 17, 2015.

------- Submissions:

You can make your submission at:

- CENTERIS 2015 – http://centeris.scika.org
- ProjMAN 2015 – http://projman.scika.org
- HCIST 2015 – http://hcist.scika.org

------- Submission types and guidelines:

Submissions can be made as full papers, short papers, poster papers and industry papers, and must strictly follow the submission guidelines available at the webpage. Only original contributions will be accepted and submissions will be double-blind reviewed.

------- Proceedings and publications:

All accepted papers will be published in the conference proceedings to be published by Elsevier as a Procedia Computer Science series (which is indexed by Scopus and ISI Thomson Reuters Conference Proceedings Citation Index) and will be available on Sciverse ScienceDirect.
Industry and Poster papers will be published in a book with ISBN.

Looking forward to welcoming you next October in our beautiful Vilamoura, Algarve, Portugal.

Kind regards,

CENTERIS | ProjMAN | HCist 2015 Chairs

PDF eXpress and PDF eXpress Plus, IEEE-financed author tools that assist IEEE conference organizers in obtaining IEEE *Xplore*®-compatible PDFs from their authors, are online. These tools are free to all conferences that are enrolled in the IEEE Conference Publications Program.

Please note: PDF eXpress PLUS contains the same functions as PDF eXpress with one key addition. Each author deposits his or her validated PDF on the site for collection by the conference's publications or technical program chair.

How PDF eXpress works

Step 1: The Conference Organizer requests a PDF or a PDF eXpress Plus site when completing the IEEE Conference Publication Form.

Step 2: A customized PDF eXpress Web page is created and is available exclusively to your conference authors.

Step 3: After the PDF eXpress site has been created, IEEE PDF support provides you with instructions to post on your conference Web site for your authors. These instructions reference the conference's Letter of Acquisition and address the requirement of placing the appropriate copyright footer on each article. Please be sure that all authors receive these important instructions.

Step 4: Prior to submitting their final papers, authors visit your conference's PDF eXpress site to either:

• convert their papers from their source application formats to *Xplore*-compatible PDFs, or

WORLD'S BIGGEST FAKE CONFERENCES IN COMPUTER SCIENCE

(WORLDCOMP and the recently started conference CSCI)

A great scam brought to us by a computer science professor from University of Georgia, USA

Latest news: In 2014, the well-known fake conference organizer, Hamid Arabnia, has started another bogus conference "International Conference on Computational Science and Computational Intelligence (CSCI)" and its website is here . The venue of this fake conference is also Las Vegas. More conferences means more money from registration fee: Hamid Arabnia's hunger for money is worse than the hunger of a Fat Pig.

A large version, including open challenge and copies of the actual published fake papers of WORLDCOMP, is available here and here

Hamid Arabnia never responded to the open challenges. He even failed to reveal the reviews and reviewers' details for the thousands of papers he received since 2000, despite repeated challenges. The reason for his silence is: there were no reviews and reviewers for all these years! After sometime, he will announce that he lost all this information due to computer crash or so (an intelligent excuse used by many online criminals!). Once again, Hamid Arabnia: if you have any self respect or human values, you should respond now to this challenge (we know that you are reading this website everyday)!!!

A relatively small version, including the copies of the actual published bogus papers of WORLDCOMP, is available here

An interesting blog on the sham conference organizer's activities, including the Anti-Christmas Greetings Campaign, is available here

DBLP has discontinued indexing all the conferences of WORLDCOMP since 2010. Click here and here and here and here and here … for samples. Hamid Arabnia never argued with DBLP on this matter because WORLDCOMP is fake and he knows that cannot fool DBLP people.

Comments of Dr. John R. Levine (a well-known scientist with a Ph.D. in computer science from Yale University, USA) about the scandal are available here (he received telephone threats from Ashu Solo , who is WORLDCOMP's publicity Chair and a close friend of Hamid Arabnia).

Conference Invitation

Dear Sir or Madam,

"Science and Education" foundation and its partners kindly invite you to take part in the scientific events that we are holding in Elenite Holiday Village, Bulgaria during 2014. All the papers presented will be published in open access online journals, part of International Scientific Publications (www.scientific-publications.net).

Conferences in June 2014
The 2nd International Conference "Agriculture and Food", which will be held on 5-9 June.

EasyChair
The conference system

EasyChair Home Page

EasyChair

EasyChair is a conference management system that is flexible, easy to use, and has many features to make it suitable for various conference models. It is currently probably the most commonly used conference management system.
If you would like to know why you should use EasyChair for your conference, look at this image!

What EasyChair Helps You to Do

EasyChair was designed to help conference organisers to cope with the complexity of the refereeing process. The current version supports

1. management and monitoring of the program committee;
2. sophisticated and flexible management of the access of PC members and referees to papers and conflicts of interests;
3. automatic paper submission;
4. paper assignment based on the preferences of PC members;
5. list of the latest events;
6. submission of reviews;
7. sending email to PC members, referees and authors;
8. monitoring email;
9. online discussion of papers;
10. the author response (aka rebuttal) phase, when the author can respond to the reviews;
11. preparation of conference proceedings
12. generation and publishing of conference program
13. generation of conference broshures with program
14. conference program and proceedings on flash drives

and many other features, check our licenses page for details.
Thanks to its flexibility, EasyChair has been used for

1. evaluating project proposals
2. teaching students paper writing and peer reviewing
3. teaching HCI students
4. generating program Web pages for very large conferences
