Searching the Impact Index of a journal in SJR

The **Scimago Journal Rank** homepage allows us to search for a specific journal, in order to know its impact, quartile and position among one or more categories.

The screenshot shows the homepage of Scimago Journal & Country Rank. The background is orange. At the top, there is a navigation bar with links: "Journal Rankings", "Country Rankings", "Viz Tools", "Help", and "About Us". In the center, the text "SJR" is displayed in large white letters, followed by "Scimago Journal & Country Rank" in smaller white letters. A blue speech bubble on the right contains the text: "We can search for the journal by ISSN or journal title". At the bottom, there is a white search bar with the placeholder text "Enter Journal Title, ISSN or Publisher Name" and a magnifying glass icon on the right.

The following screen provides us with a large amount of data on the journal we are looking for: general data, categories, quartiles, its impact index (SJR), citations, etc.

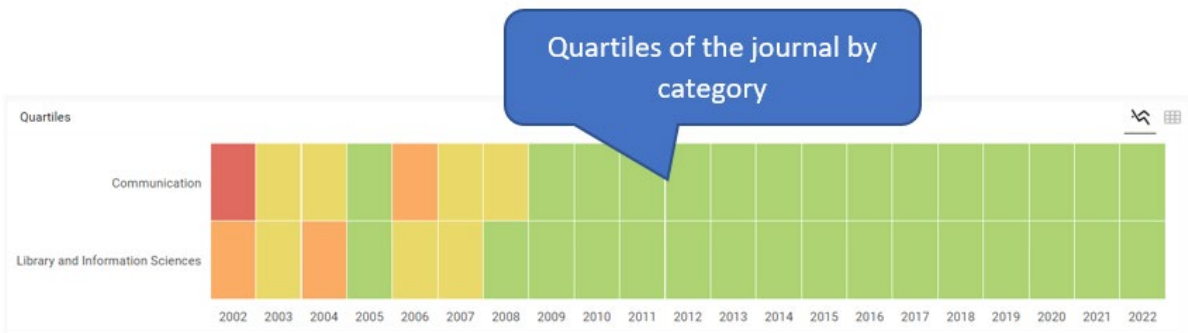

As an example, we searched for the journal *Information Communication and Society* by its ISSN (1369-118X)
