Week 12

practical sessions

Project Based Learning (PBL) –
- Creating your own Linguistics Collage

Driving question:
 How many myths and popular misconceptions about language are there and why is it important to dispel them?

Defence of the Proposal (Group Presentation Brief)

The group has 60 minutes to answer the following questions:

What will the audience learn from our presentation?

What part am I responsible for?
Our plan to make a successful presentation is:
We expect to learn the following from making this presentation:

<table>
<thead>
<tr>
<th>Specific skills we plan to work on are:</th>
</tr>
</thead>
</table>

We need the following technology/equipment for our presentation:

"Defence of the Proposal" is adapted from materials developed by the Buck Institute for Education, with major contributions by the George Lucas Foundation, the Department of Educational Technology at Boise State University, and a group of University partners.
