END OF PROJECT SELF-ASSESSMENT

Self-assessment and reflection are important processes for developing personal self-awareness and in having a successful future. Do try to complete the following statements to the best of your ability:

The project driving question was:

I completed the following tasks during the project:
As a result, I learned the following:

- About the subject matter (General Linguistics)
- About working in a group
- About conducting an investigation
- About preparing an oral presentation
- About developing my individual skills and abilities (creativity, problem-solving, handling and presenting information, interpersonal/communication, and so on) by creating a collage
- About getting actively involved in my own learning process

I learned that my strengths are:
I learned I need to work on:

<table>

<tbody>
<tr>
<td></td>
</tr>
</tbody>
</table>

I contributed to group progress in the following way:

<table>
<thead>
<tr>
<th>Column</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
</tr>
</tbody>
</table>

I would make the following changes if I were to do the project again:

<table>
